1.0 – INTRODUCTION

The Property and Casualty Insurance Program for The Greater New Jersey Annual Conference (GNJAC) was designed by the GNJAC Insurance Committee, Sovereign Insurance Group, and Mercer Insurance Group. Member churches of the GNJAC are included in this program.

Occurrence Limit	\$2,000,000

Note: The scope of the coverage would **not** include licensed professional counselors, who would be expected to carry their own professional liability coverage. Counseling activity means consultation or communications between a counselor and another person where the counselor offers advice or guidance with regard to conduct or proposed conduct.

This coverage is not intended to provide insurance for bodily injury, personal or advertising injury, or sexual misconduct. It does not include coverage for medical malpractice, financial counseling or any criminal or fraudulent act.

Occurrence Limit	\$2,000,000
Aggregate Limit	\$4,000,000

It is recommended that each church follow the Conference mandated Safe Sanctuaries policies and conduct thorough background checks of all clergy and employees as well as volunteers who regularly supervise youth activities. In addition, there are a number of other important procedures that should be addressed by every church. Each church should have a Sexual Misconduct Policy which, at a minimum, outlines their position on sexual misconduct, provides details on how to reduce their exposure, and identifies specific steps concerning how to respond in the event of an allegation.

Please note that in the event of a suspected claim involving sexual abuse, it is the church's responsibility to provide **timely reporting**. Notice must be given to Sovereign Insurance Group within 30 days of any circumstance which is likely to result in a claim or suit alleging sexual abuse. If a claim or suit is brought against any insured, you must notify Sovereign immediately. It is important that the church does not attempt to settle or resolve the matter without the consent of the insurance company. Failure to properly notify the insurance company will put the church at risk of voiding their coverage.

2.7 EMPLOYEE BENEFITS LIABILITY

Employee Benefits Liability Insurance protects the church, church officials, employees, and volunteers for wrongful acts relating to the management of the church's benefit programs. Potential claims in this area arise from failing to add coverage for an employee, incorrectly removing an employee from a plan, misreporting employee information, etc. The Employee Benefits Liability coverage is on a "Claims-Made" basis and responds only to claims that occur during the policy period

Some of the programs for which this coverage may apply include Employer Sponsored Health Insurance, Dental Insurance, Group Life Insurance, Long Term Disability Insurance, and 403B Programs.

The amount and duration of assistance is set by the state.

The Employers' Liability section provides liability coverage for the church as an employer against claims by the families of injured workers (care and loss of service), or by certain other third parties.

Your premium is based on an estimate of your payroll for the policy period, and is subject to an annual payroll audit. If there is a large difference between the estimate and the audited payroll, the company reserves the right to adjust your current premium to reflect the difference. You should report all claims as soon as you become aware of a potential loss. Please contact Sovereign in the event that you must file a claim.

For all claims please contact Sovereign Insurance Group at our office:

Sovereign Telephone:

800.222.4478

Sovereign Facsimile:

610.535.6810

7.2 CLAIMS INFORMATION

When a claim occurs, please do not attempt to discern coverage. Filing a claim in and of itself does not adversely affect your loss history. Please let the insurance company determine what is or is not covered.

When filing a claim, you will be expected to know the approximate date of the damage or loss, a brief description of the loss, and to provide a contact name for the company claims adjuster to meet with at the church. Always take any precautionary steps that may reduce the chance of further loss. For example, you might purchase plywood to cover a broken window or a hole in the roof to prevent further water damage.

Company response to a claim is normally handled within 72 hours. Large damage suits or fires will of course be given high priority.

If an Emergency occurs after hours or on the weekend, please call:

- **Mercer Insurance (property, liability, auto losses) at 800.235.8784**
- **Church Mutual Insurance (workers compensation loss) at 800.554.2642 option 2**

7.3 CERTIFICATES OF INSURANCE

Sovereign will provide Certificates of Insurance as proof of coverage to a mortgagee, loss payee, or other entity. You should request certificates of insurance from Sovereign annually.

If you require a Certificate of Insurance please provide (additional information may be required):

- The name and address of the Certificate Holder
- Reason for certificate and interest of Certificate Holder
- Detailed dates of when the activity begins and ends
- For your convenience we have included a Certificate of Insurance Request Form, found in Appendix A, please use this form to expedite your request

Some of the reasons you may obtain a Certificate of Insurance are:

- **Vehicles** – Request a certificate from the owner of a vehicle that is leased or rented for church use. The certificate will provide evidence of proper Automobile Liability Insurance. Sovereign can provide guidelines for minimum acceptable limits.
- **Work Performed** - All Contractors performing any work on church properties should provide a Certificate of Insurance evidencing General Liability, Automobile Liability, and Workers' Compensation Insurance and naming the church as an Additional Insured.
- **Using the Church** - Anyone using the church premises or properties should provide a Certificate of Insurance with evidence of General Liability and Workers' Compensation Insurance. In most instances, the Certificate must name the church as an Additional Insured.

The practice of obtaining Certificates of Insurance will assist to shield the church from claims arising from the activities of third parties, which should be funded through their own insurance. If persons or organizations do not have insurance protection to protect them from claims arising out of their activities, the church may be called upon to fund their liability exposures.

The Certificate of Insurance should indicate proper insurance coverage, limits, name of the insurance company, policy number, effective dates of coverage, and name the church as an Additional Insured. Upon receipt, examine the Certificate of Insurance to make certain it includes the requested information and is deemed satisfactory **prior to** entering into an agreement with any party.

7.4 SAMPLE HOLD HARMLESS AGREEMENT

We recommend that you call Sovereign Insurance Group to discuss the exposure associated with outside groups using the church or its property. If the group does have insurance you should have them name the church as an “Additional Insured” on that policy and provide you with a copy of the Certificate of Insurance.

If the group does not have its own coverage and the church allows the group to use their facilities we advise that you have them sign an agreement that outlines the mutual understanding that the church’s policy is not providing the liability incurred by the outside group or organization. A sample of a hold harmless agreement is detailed below. Please have your legal counsel review this agreement.

HOLD HARMLESS/INDEMNIFICATION AGREEMENT

This agreement between

_____ (“Church”)

and

_____ (“Occupant”)

entered into this date _____ for use of premises located at

_____ (“Premises”)

In consideration of the use of the Premises by Occupant, Occupant agrees to save, indemnify, defend and hold harmless Church from and against any and all claims, expenses, costs including, but not limited to, attorney fees, liabilities and damages (collectively “Claims”) which result in bodily injury or property damage as a result of acts or omissions of Occupant, its employees, volunteers, participants, agents, invitees or anyone associated with Occupant at the Premises.

Furthermore, Occupant understands that it’s Occupant’s responsibility to obtain insurance for any Claims that arise by its use and/or activities of Occupant at the Premises and not the responsibility of Church. It is recommended that Occupant obtain separate insurance to adequately insure potential Claims for Occupant’s intended use or activities at the Premises. The Occupant agrees to abide by all federal, state and local laws, ordinances and regulations relating to the Premises and Occupant will save, indemnify and hold harmless Church for any breach by Occupant of such laws, ordinances and/or regulations.

SECTION 8

8.0 LOSS CONTROL

The most effective way to control the future costs of insurance is to prevent or reduce losses. We recommend that each church assign an individual or committee to review loss control issues on an annual and ongoing basis. Responsibilities would include regular inspections of the premises with a written report of any deficiencies or recommendations. If the items noted are of a significant nature, the insurance company should be notified of the work to be done, or the action plan to resolve the problem. The insurance companies will provide Loss Control experts that will assist you and provide feedback and direction if requested. We recommend utilizing their knowledge and skills.

8.1 REAL PROPERTY VALUATION

It is important for the church to establish specific details and cost of all property at the time of a loss. The church should have thorough documentation, and specifically a professional insurance replacement cost appraisal, which definitively outlines the replacement cost of all property.

The church should obtain a new valuation once any major renovations or additions to church property have been completed. All records and appraisal documentation should be stored off- premises for safekeeping.

8.2 VERIFICATION OF YOUR PERSONAL PROPERTY

1. Business Personal Property – If possible the church should videotape all furniture, movable fixtures, equipment, and supplies. A written log should describe the items, provide the quantity, the cost, and list the present day values. We recommend storing the tape and the written lists off premises.

2. Valuable Objects – The church should maintain a separate list of all valuable objects such as paintings, communion vessels, crosses, statuary, stained glass windows, vestments, and other special items, which have either historical or intrinsic value. Videotaping is recommended. Items, which have intrinsic value such as works of art or antiquities, should be appraised every 5 years.
