

Would you like to be a better disciple of Christ?

If you would like to be a better disciple of Christ? ... so that you can help with the mission of the Church to make disciples of Jesus Christ ... you will want to deepen your knowledge and abilities in your personal ministry. The Lay Speaking program offers you the basic course ... a general course in becoming a better disciple. The advanced courses

have specific topics, such as evangelism, daily discipline, caring ministry, stewardship, worship, prayer, the Bible, and heritage. If you are able to determine your gifts or which area of ministry to which you are called, you can concentrate on advanced courses that will assist you in those areas.

Leading, Caring, Communicating: these words characterize what lay speakers do in ministry as The United Methodist Church engages the world of the twenty-first century!

LEADING: Lay speakers combine words and actions in leadership roles within their churches and communities.

CARING: As lay speakers combine words with deeds, they find ways to care for others. Some are involved in crisis ministries, such as visiting grieving families. Lay speakers share a ministry of caring one- on-one with people in times of need and in times of joy, and show their faith by responding to others with care--giving love and service.

COMMUNICATING: Both the Bible and Christian experience point to the importance of proclaiming God's transforming love for a broken world. Lay speakers often fill pulpits, lead Bible studies, or speak in youth and children's groups, healthcare centers, and more.

Please speak to your pastor, Lay Leader or church Lay Speakers for additional information and assistance with discernment.
